

## Toronto Career Fair Attendance Numbers Spring vs. Fall 2019

### A few things to keep in mind:

1. The below numbers only represent online pre-registration using the Marskell web site and do not include 224 Event Bright and 155 walk-in registrations
2. Not all questions were answered by all registrants
3. Some attendees registered more than once, we have not deleted any partial or duplicate entry
4. Not all pre-registered attendees physically attended the event
5. All Exhibitors receive (for free) a limited use copy of the entire registration database including 550+ uploaded resumes, plus Event Bright and walk-in registrations.
